Be prepared

- Confirm with your doctor if you need to fast. Fasting up to 8 hours may be required for lipids (cholesterol, triglycerides, HDL) and glucose testing.
- Check with your doctor; some tests, such as glucose tolerance tests, can take up to 4 hours. Allow adequate time.

Arrive Ready

- Wear sleeves that roll up easily.
- Bring your completed test requisition or prescription (your doctor may have already sent an order electronically).
- Have your current insurance card with you. We accept most insurance plans.

Visit our convenient locations:

- Quest is in-network with most health insurers in the US, and is a member of the UnitedHealthcare Preferred Lab Network
- Appointment scheduling and pre-registration accepted for faster service
- Visit questdiagnostics.com/locations to view extended and weekend hours
- Skilled, professional, and experienced staff

To schedule an appointment visit QuestDiagnostics.com/Appointment, call 1.888.277.8772 or scan the QR code.
