**COLLEGE of AMERICAN
PATHOLOGISTS**

The College of American Pathologists recently emailed your laboratory's leadership to notify them of adjustments made to your laboratory's inspection cycles. This change was made to maintain our established interval of two years between inspections. Enclosed is your updated Accreditation Certificate that reflects the new due date for your next inspection. You should discard the previous certificate.

Dear Dr. Liranzo:

I have completed my review of the findings from the College of American Pathologists (CAP) inspection of your laboratory conducted on July 20, 2021 by William A. Rock, Jr., MD.

Review of the following deficiency demonstrated that the laboratory was in compliance prior to the inspection. The following item has been removed from the final list of deficiencies: DRA.10445 .

I recommend accreditation for your laboratory.

Congratulations on the excellent services that your laboratory is providing for your community and the efforts that you have made towards accreditation. We value your participation in the CAP's Accreditation Programs.

Sincerely,

Nabil N. Basta, MD
